MEMORANDUM FOR: Director of Security

FROM: Harry E. Fitzwater
Deputy Director for Administration

SUBJECT: Polygraphing of Industrial Contractors

1. As you are aware, Recommendation 11 of the Inspector General's report on the Office of Security recommends that the DDCI direct that all future industrial contracts involving access to Sensitive Compartmented Information (SCI) include a provision that would permit the polygraphing of contractor employees. The DDCI has approved this recommendation.

2. In light of the above, it is requested that you provide a written report regarding the implementation of this recommendation. In preparing your response, please obtain necessary contributions from appropriate individuals in the Office of Logistics, the Directorate of Science and Technology, and any other Agency components which have a stake in this program.
